

Early Experience Laboratory Language and Cognitive Development

Research Assistant Information Sheet

Thank you for your interest in my ongoing research projects on children's early language and cognitive development. Unfortunately, I can only take a limited number of students on as volunteers in the lab. To help determine whether your background, interests and schedule fit with the positions I have available, please answer the following questions and return to me as soon as possible.

Name: _____ Phone number: _____

E-mail: _____ Do you read e-mail regularly? _____

Major and Year: _____

What interests you about research in language or cognitive development?

What skills can you bring to the laboratory setting?

Do you have any previous research experience? If yes, please describe the project, including your supervisor's name.

What semester(s) would you be available for working on this research?

How many hours a week can you commit to being in the lab (minimum is 5)?_____

Thank you!

Please attach a Q-card printout of your courses and grades and return your application to me in my office (Humphrey Hall, 348)
(just slip it under the door if I'm not there).
